STATEMENT OF STUDENT RESPONSIBILITY

Students, like all members of the College community, have the responsibility to create and support an educational environment. Each member of the community should be treated with respect and dignity. Each has the right to learn. This right imposes a duty not to infringe upon the rights of others. The College community should assure its members those opportunities, protections, and privileges which provide the best climate for learning.

Students are governed by the adopted policies and procedures of the Board of Governors. The Student Code of Conduct and/or Residents Manual are the official supplementary guides to Board policies and procedures.
