
Radiologic Technology

The radiologic technology program teaches the safe use of radiation to produce images of the human body for diagnostic purposes. **This program is a joint cooperative arrangement with Southeast Community College and Northeast Community College.** General education and academic support courses are provided by Northeast Community College. Radiologic technology courses are taught on-line through Southeast Community College. Clinical experience is provided in cooperation with Faith Regional Health Services in Norfolk, Nebraska, and the area hospitals. Radiation technology job shadowing experience is also required by Southeast Community College prior to being accepted in the program.

Program graduates earn an associate of applied science degree from Southeast Community College and are eligible to take the national examination of the American Registry of Radiographic Technologists and the designation, R.T. (R) (ARRT).

Northeast Community College Courses for Associate of Applied Science Degree (2 years) Awarded by Southeast Community College

REQUIRED COURSES

Course	Credits
BIOS 2110 Introduction to Human Anatomy and Physiology I.....	4
BIOS 2120 Introduction to Human Anatomy and Physiology II	4
CHEM 1140 General Chemistry I or CHEM 1100 Applied Chemistry for Non-science Majors	4-5
ENGL 1010 English Composition I.....	3
INFO 1010 Fundamentals of Information Technology.....	3
MEDA 1406 Basic Pharmacology (Online SECC).....	1
MATH 1140 Intermediate Algebra	4
OFFT 1730 Medical Terminology.....	3
PHYS 1070 Applied Physics for Allied Health	4
SPCH 1010 Fundamentals of Communication.....	3
Total Credit Hours	34-35

Southeast Community College, the degree granting institution, does not require General Biology as a prerequisite for Anatomy and Physiology.

NOTE: Prior to entering the radiology technology program, students are required to complete the above courses available at Northeast Community College with a grade of "C" or better.
